

# ATTENTION GROUND SQUIRREL HUNTERS

- Ground squirrel hunting is open statewide.
- Rare ground squirrels may occur in the color-shaded areas as shown on the map below.
- Idaho Fish and Game is working to help rare ground squirrel populations and provide hunting opportunity for other ground squirrels.
- To minimize the chance of shooting a rare ground squirrel, please check with an Idaho Fish and Game Regional Office in the area you wish to hunt for more detailed information on the distribution of ground squirrels.
